FocalPoint Software

Maximum effort. Maximum profit. **FOCUS.**

HUNDREDS OF YEARS OF RENTAL EXPERIENCE WITHIN OUR STAFF

About Us

Visum offers a wide range of services and products to help your rental business

Who We Serve

We pride ourselves on our diverse portfolio of clients across various industries:

- Homeowner
- Special Events
- Heavy Machinery
- Tools & Equipment

E-commerce

Allows customers to browse rental products online based on FocalPoint data, view detailed product information, and request quotes

Mobile App

Get direct access to your store's valuable information on any iPhone or Android device

Monitor

Display multiple screens to show real-time information for your employees

Credit Card Integration

Allows an unlimited number of terminals and stores to process credit card transactions simultaneously

E-Signature

Email signature requests to your customers and receive confirmation of the signed documents

Automatic Email Reminders

Automatically send out email messages for deliveries, pickups, reservations and past due balances

We'd love to hear from you! Ask about our other products and discover the best options to help you succeed
